

BOROUGH'S
JCC Preschool

Dear Preschool Parents,

What an amazing and exciting week at the preschool! There were so many events this week that would not have occurred or been successful without our wonderful community of dedicated parents, talented teachers and an amazing staff. Thank you all for making our preschool a special place and by far the best in the area.

Hurricane Sandy- The K-Kids Owl Class used their Tzedakah money to support the victims of Hurricane Sandy. They raised \$117 which included a parent matched donation - THANK YOU! It is great that our children are being taught in our preschool the meaning of performing a Mitzvah.

Spirit Week- What a fun week! The kids had a wonderful time wearing their PJs, crazy hats, backwards clothes, funny colors and their favorite sports team clothes to school. Thank you so much to the teachers for doing such a fantastic job incorporating Spirit Week into the curriculum.

Scholastic Book Fair-The books finally arrived on Monday afternoon and were set up and ready to go for the Parent/Teacher conferences on Monday night. Thank you to our volunteers and those of you who purchased books throughout the week.

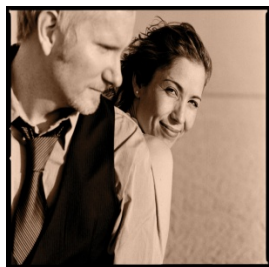

Jenny Boston Fabulous Fundraiser- The preschool teachers hosted a fabulous event at Jenny Boston. It was great to see the people in our community supporting our preschool while enjoying some valued shopping. Thanks to everyone who attended. The teachers will be using the money they raised to buy special supplies for their classrooms.

"Scout" our Boroughs JCC Mascot- is on his way. He should be here by the end of the month. Since our distributor for the puppies is in New York, there was a slight delay in his construction and delivery because of Hurricane Sandy.

For those of you who decided to opt out of the PPG dues, you can still purchase a puppy from either Julia or Amy for \$18.00 when he arrives. For those of you who are paying dues, a second dog can be purchased for \$15.00 for that sibling who just has to have one.
